Verity HealthNet was originally built to support self-funded commercial employers in the Baton Rouge and Acadiana markets of Louisiana.

Verity's network expanded to statewide with the addition of significant major clients in 2005.

Verity expands its network and product offering with implementation of Louisiana managed Medicaid and tiered commercial products.

Verity HealthNet joins Healthcare Highways in a strategic move to expand the business and support adjacencies in appropriate LA markets.

Verity First Choice creates options for network tiering matched to unique benefit designs.
